Rosarita, do you know who I am? Yes, you're... the ringer

The grim-faced customs official, his female detainee in tow, returned to the interrogation room after another unsuccessful trip to the bathroom.

"No dice," he told his supervisor.

Peering at an Xray of the detainee's intestinal tract, the supervisor shook his head with dismay. "She needs a stronger laxative."

"They don't make a stronger laxative," said the younger man.

The supervisor sighed wearily. "Looks like a job for The Ringer."

"Excuse me, sir?"

"The Ringer," the supervisor explained, "is our last resort. Freelancer. We bring him in for the really tough jobs."

Young Rosarita Estrada regarded the two men with growing concern. Their increasingly cryptic conversation was wreaking havoc on her nerves. The cocaine-filled balloons she had ingested prior to her flight were lodged in her stomach. The potent laxative she had been given had failed to make her bowels move. She had no idea who "The Ringer" was, but something about the whole affair filled her with dread.

This was her first rodeo, her first attempt at smuggling drugs. Some mule I turned out to be, she thought with self-loathing. The cartel had promised to pay her five hundred dollars. Rosarita needed the money desperately. Jobs were hard to come by in Mexico. She had accepted their offer. Stupid, she silently berated herself. Now she was in hot water with both sides, the cartel and the feds.

Damned if I do, she reasoned, damned if I don't. A growing part of her wished to die, wished the balloons would burst and flood her bloodstream with the lethal drugs she had so foolishly swallowed.

"Sit down, Ms. Estrada," said the supervisor, "and try to relax."

He produced his phone and made the call.

--II--

His bedroom window provided an unobstructed view of airspace above LAX. Jets, big and small, came and went with mind-numbing regularity. Today was no exception.

Harry "The Ringer" Kramer paid them no heed. Not that he didn't enjoy the panoramic view from his luxury high rise condo. He loved it. But

the blonde escort currently sucking his dick demanded his full attention.

He had picked her up at his preferred hotel bar, a consolation prize for picking the wrong ponies at the track earlier that day. Harry felt better already. The blonde had successfully lifted his spirits, as well as his freakishly large cock.

Kneeling before him, she licked the underside of his engorged shaft with superlative technique. Harry couldn't wait to fuck her. He hadn't gotten laid in almost a week, a long time for him, so he was itching to lay some serious pipe. A man in his line of work had to stay sharp, lest the customs department replace him with some other well hung cocksman. Los Angeles was full of them, with new ones arriving each and every day.

Harry knew all about it. He had been one of them. And when his dreams of mainstream stardom failed to pan out—well, he had done what so many with his anatomical gift had done before him. Porn had paid the bills. In Harry's case, it had also put him on the radar of the federal government. Now, having left the porn industry, he worked to protect the border, worked to make America a better place.

Of course, the blonde knew nothing of this. Harry's work was top secret. He had told her at the bar that he worked in real estate. She couldn't have cared less; just so long as he paid her fee.

Presently the cash was in her purse; this while Harry's dick took up residence in her mouth. The blonde pumped her head frenziedly, moaning and groaning around his sizable schlong. Harry stood there in the buff, one hand keeping her hair out of her face, the other hanging at his side. The Blonde's sequin cocktail dress lay beside his clothes, a forgotten heap hastily removed as soon as the cash had changed hands.

The blonde withdrew for a breather, then proceeded to service Harry's balls. Fingers encircling his prick, she licked and lapped his nut bag with slutty zeal. Wow, Harry thought. He had seen and done it all. Still, her teabagging skills were off the chart. His member swelled in the blonde's hand, her cue to cease with the oral fun and commence to balling in earnest.

She rose to her full height and climbed on the bed. Facing the headboard, she assumed the doggy position, framing her exquisite ass for a thorough rutting. Harry grabbed her hips with both hands and pulled her closer to the foot of the mattress. There, he thought, perfect. Now he could stand tall behind her and fuck the ever-living shit out of her hot hole.

The blonde regarded him over her bronze shoulder. "Do it, baby. I'm ready for that big cock. C'mon, stick it in my tight pussy."

Harry guided it home, pushing inside her with a single powerful thrust. She gasped and grunted, a reaction he had heard before. Few women, even working girls with years of experience, had had a dick as big as his. Still holding her hips, he thrust repeatedly, jabbing her with his rigid rod.

It wasn't long before he was jackhammering her with everything he had. Flesh slapped. Clapped. Her ass shook. Shimmied. Harry was just getting started. The blonde had no idea what she was in for. He could fuck for an hour.

And would have.

If his phone, the special one reserved for The Ringer, hadn't buzzed. He eyed the device on his nightstand, torn between the demands of work and those of the flesh. Granted, his work involved fornication on a massive scale.

Plowing the blonde hooker from behind, he wondered what today's mule would look like. Harry hoped she was hot.

--III--

He wasn't disappointed.

Rosarita Estrada was a sexy Latina. Early twenties. Cinnamon skin. Slender, bordering on bony. Youthful face framed by long raven hair parted in the middle. Harry had seen her type before. Young. Naïve. No education. Desperate for money. She was just what the cartels were looking for.

The customs officials provided him with a brief rundown, showing him the telltale Xray before explaining that their

most powerful laxative had failed to work. Harry listened with rapt attention. The blonde hooker was forgotten, ancient history. He had switched to The Ringer, all business, a man with a mission. And his mission was to shake those balloons of cocaine loose so that Rosarita Estrada could pass them without incident. The two customs officials, the supervisor and his subordinate, would take care of the rest.

"Well," Harry remarked, "no time like the present . . ."

"Well—um—we'll leave you to it," the supervisor said.

He ushered his colleague out of the interrogation room, closing the door quietly behind them. Then there were two. Rosarita sat perfectly still.

Harry regarded her with a gentle smile. "Do you know who I am?"

"The Ringer," she said, still looking at the floor.

"That's right," Harry said. "Do you know why I am here?"

Rosarita raised her head. "I have a pretty good idea."

"Tell me, Ms. Estrada. Why am I here?"

She didn't respond immediately. It took a moment or two for her to find the gumption. Finally she said, "To fuck me."

"That's right. I'm here to fuck you."

Rosarita looked at him imploringly. "Do you think it will work? I mean—can you dislodge the balloons? They're stuck."

Poor girl, Harry thought. She was scared to death. And with good reason. Balloons had a tendency to tear. Many mules had died in this manner. A horrible way to go. He ban-

ished the thought from his mind. Now was not the time to dwell on the maudlin. No way. Now was the time to whip out his big cock and show Rosarita exactly why they called him The Ringer . . .

“Wow!” Rosarita brown eyes doubled in size as she regarded his dick. “You’re the biggest I’ve ever seen . . .”

Harry shed his clothes for the second time that day. His encounter with the hooker had in no way diminished his ability to get an erection. He was harder than ever. And ready to fuck . . .

Rosarita had worn a lightweight sundress for the flight. Sitting there in the chair reserved for detainees, she lifted the hem and spread her spindly legs. She wore pink cotton panties. Harry told her to take them off. She did this with both hands, raising her bony ass off the seat before peeling the garment from her legs.

She leaned back in the chair, feet off the floor, and parted her thighs as wide as possible, testing the limits of her flexibility. Her pussy gaped, hairless and wet. Harry moved across the room and stood before Rosarita. His crotch was at her eye-level. He didn’t have to say a word. She took him in her mouth, sucked him hungrily, greedily. Her full lips glided up and down his pole.

“That’s it,” Harry told her. “Good girl. Nice and slow.”

The preliminary blowjob seemed to calm her nerves. She appeared to lose herself, as much as possible, in the moment. Harry hoped so. This thing was out of her hands. He was the

expert. It was up to him to dislodge those balloons. All she had to do was relax and take every inch of his big throbbler.

Rosarita gave good head. After shellacking his prick, she took good care of his balls, giving the blonde hooker a run for her money in the teabagging department. The lithe Latina consumed his ballbag, engulfing it with her ravenous mouth. She stroked his rod with one hand, employing the other to rub her pussy.

Those big brown eyes of hers. Harry could get lost in them. No, he told himself. The Ringer couldn’t afford to get emotionally attached. Rosarita was a problem to be solved. Nothing more, nothing less.

Her mouth stuffed, she stroked him faster and faster, pumping her hand deftly. It was time, Harry thought. Time to earn his pay, time to earn his nickname, time to show Rosarita exactly why they called him The Ringer.

He backed away, withdrawing his balls from her mouth. Gasping for air, she released his dick. Harry offered his hand, helped her out of the chair, then took her place. No sooner had he dropped into the chair than Rosarita sat in his lap. She did this with a sense of urgency, the haste of a cock-crazed whore.

She gripped his tool and guided it inside her, stretching the slick entrance to her cunt. Harry held her trim waist. She lowered her hips, impaling herself, accommodating the biggest cock she had ever had the pleasure to ride. And ride she did. A slutty cowgirl possessed, she bounced in his lap, pogoing with increasing fervor.

Harry enjoyed the perks of his job, the constant supply of pussy. Drug mule pussy. Rosarita had a good one. Tight. Hot. Wet. He could’ve let her ride him all day long. But there was a job to do. Their fucking was strictly a means to an end. A method to extract those balloons from her system.

Cradling her ass with both hands, he rose from the chair. She wrapped her scrawny legs around his waist as he carried her across the room. Harry pinned her to the wall. Then he fucked her. Hard. Fast. Employing his cock like a piston, he thrust repeatedly, drilling her wet cunt with the relentless motion that had served him so well, securing his reputation as the best in his field.

Rosarita cried out crazily. Enjoy, Harry thought. He prided himself on making the mules come. Panting loudly, she trembled and twitched as the orgasm roared through her body. Harry exploded inside her. Then he pulled out and carried her to the chair. She would be too weak to stand, her legs so much jelly after the powerful boning she had received.

His work done, Harry got dressed and exited the interrogation room. The customs officials returned. Having regained a measure of strength, Rosarita was escorted to the bathroom. It didn’t take long. She passed the balloons without incident. Easy as you please. No complications whatsoever. Of course, her problems were far from over. She was looking at a lengthy prison sentence. Smuggling cocaine was serious business. But at least she was alive.

Thanks to The Ringer and his magnificent cock!

my pussy must be tamed

"I've been told I have the sweetest little disposition, until I start fucking, that is. My sweet honey pot is the sugar my man's been craving. When he gets me in the mood, I turn into a lioness on the prowl. The fangs come out and there's no stopping my feline appetite until I've ravaged the man-meat that I hunger for. Then I lay back and purr like a petite hungry kitty as he becomes my dinner."

So, I've decided to break down and finally write to you. One night last week after coming home from work, I was pretty bored. Horny as usual, I was just kicking back, propped up on my bed in my boxers watching TV – like Al Bundy, hand in the waste band and a beer in the other. Later that night my girlfriend comes home, nothing unusual except that she was a bit more drunk than usual. I was kinda upset wondering why I wasn't invited but then learned it wasn't even worth it which is why she came home early. So she comes into our bedroom and asks if she could watch the movie with me as she laid down on the bed. I replied 'sure' and we found something too watch. A short while passed as she decided she wanted to get more comfortable so she grabbed her sweats and one of my t-shirts.

That's when it all started... I watched as she slid her tight jeans down revealing a lacy black thong. I was instantly hard. I couldn't help it, she was so sexy with an all-over tan, perfect body, and her extremely sexy underwear. I was so turned on. She then took off her shirt and grabbed one of my t-shirts and before she could put it on I muttered 'Damn, girl.' She laughed a little and asked 'What?' I said "You are so sexy... look what you did to me." Looking down she saw my cock bulging in my pants.

Without hesitating she grabbed it and started rubbing it outside my boxers. She then said to me with that slow drunk voice, "Do you like looking at your girlfriend in your underwear?" Speechless I said only "Of course." So she said "Really." and walked away to the bathroom and looking back at me grinning ear to ear.

I didn't know what to expect, I was rock hard and she just left me sitting there. Then, six or seven minutes later, she appeared in the sexiest lingerie I had ever seen. She asked me if I liked it. I liked it, and said "No, I love it." Then she crawled up the bed licking her lips all the way even as she pulled my shorts off

of me. Looking up at me, she then asked if I would do her a favor. So amazed by how sexy she was, she then told me she wanted me to eat her pussy and she would deep-throat my cock. She said she was craving my cock down her throat and she wanted to feel me burst cum all over her face.

Needless to say, I ate her pussy like I was starving, licking and fingering and sucking, I made her cum and squirt three times in fifteen minutes (but who's counting). So then she proceeded to get on her knees and go to town on my cock. I couldn't believe how great it felt as she went up and down, sucking my huge cock. Her hands stroked, it running her tongue up and down in between strokes. Looking up at me she said "Are you gonna give me that hot cum of yours, I want to taste it." I said "Yea, baby, you have me ready to explode." As she was getting more into it, going faster and faster, deeper and deeper, I couldn't hold back anymore. I grabbed her by her hair and tipped her head back, cumming all over her face as she opened her mouth and aimed my cock into it.

Then, she sucked every last drop out of me and then used her fingers to wipe every drop off her face and swallow it. She then told me that she loved that we did this kinda stuff, she said no one else made her feel so good or made her cum so much. Smiling, I said it was because I was so attracted to her and it was easy. Laying there next me still in the lingerie she said, "I hope you don't think your done?" and I asked why? She said that was just fore-

play and wanted me to fuck her even more with my huge cock.

We spent the rest of the night fucking and sucking right there on my bed. Since then we've not fucked, but I think I might try enticing her with a bottle of champagne. Now only to think of the reason to pop the cork.
